KAURI 70sqm: Meet the Kauri, our most spacious design in the Footprint Classic collection, thoughtfully planned to deliver comfort without compromise. This well-proportioned home features two generous double bedrooms, a private ensuite, a full second bathroom, and a separate laundry, giving you the practicality of a much larger home within a smart footprint. The heart of the home is its expansive open-plan living area, designed to feel light, airy, and welcoming. There's room to truly relax, entertain, and enjoy everyday living without feeling confined. The Kauri offers flexibility and functionality in one beautifully balanced design. Compact in size. Generous in lifestyle.. **Note:** The photo above is an artist's impression. Please refer to the specifications sheet for details of our standard inclusions.
