KAHIKATEA 50sqm: The Kahikatea 250 Tiny Home proves that smart design can deliver more lifestyle in less space. With two full-sized double bedrooms, it's a perfect fit for young families, visiting guests, or anyone wanting flexibility for up to four people. A separate laundry room adds valuable storage, while the clever layout gives you options. Remove the breakfast bar and window, and you've instantly gained even more room to customise to your lifestyle. This showcase model features Duragroove cladding paired with a striking Modified Pine feature wall, blending warmth, character, and modern curb appeal in one stylish package. **Note:** The photo above is an artist's impression. Please refer to the specifications sheet for details of our standard inclusions.
