TITOKI 15sqm

Discover the Titoki S15 – Small in Size, Big on Style! The Titoki S15 is proof that you don't need a large footprint to create a space that feels stylish, modern, and practical. Designed as an upmarket solution for extra space, this sleek 15m² build gives you room to breathe without overwhelming your property. Perfectly sized for guest accommodation, a home office, studio, or backyard retreat. Featured here with a ply and batten cladding finish, the exterior delivers a timeless, architectural look that blends effortlessly into both urban and rural settings. *View the [specifications](#) sheet for our standard inclusions.*
