TAWA 50sqm: Step into luxury tiny living! This stunning one-bedroom Tiny Home is spacious, inviting, and designed with a sleek open-plan layout that feels every bit as stylish as it is functional. Enjoy the cozy charm of a cleverly designed footprint. Downsizing has never felt so indulgent! And the best part? Every Footprint build lets you personalise your look. Mix and match from our premium cladding range from the natural warmth of a striking Modified Pine feature wall to the clean lines of Innova Duraplank, creating a home that's uniquely yours. **Note:** The photo above is an artist's impression. Please refer to the *specifications* sheet for details of our standard inclusions.
