**RATA 50sqm:** The RATA 250 Tiny Home is a total showstopper, delivering unbeatable value without a single compromise! With two full-sized double bedrooms, it's the perfect fit for a family of 3–4. Step into the kitchen and you'll discover a clever surprise, while the window may look modest, it creates a warm, cosy vibe and allows for a massive amount of overhead cupboard space you won't find in most tiny homes. And the real "wow factor" The unbelievably spacious living area feels so open and inviting that guests can hardly believe they're standing inside a 50sqm build. **Note:** The photo above is an artist's impression. Please refer to the specifications sheet for details of our standard inclusions.
