WILDWOOD 263sqm

For stylish, and super-comfortable living! This fully self-contained home makes the most of every square metre with a clever open-plan kitchen and living space that feels light, airy, and welcoming. Featuring two generous bedrooms plus a separate bathroom, the Wildwood proves that compact doesn't mean compromising. You'll enjoy plenty of built-in storage. Perfect as a modern rental, guest house, or affordable first home, the Wildwood delivers big living in a compact footprint. It's functional, versatile, and an absolute game-changer for anyone looking to embrace the best of tiny home living. *View the specifications sheet outlining our standard inclusions.*
