RIVERSIDE 283sqm: The Riverside 283 builds on the popular Outlook design, offering the same smart 83sqm layout with the added benefit of two bathrooms for enhanced comfort and convenience. The Riverside features a spacious open-plan layout, a well-appointed kitchen perfect for everyday use, and seamless indoor–outdoor flow. Two queen-sized bedrooms provide generous retreat spaces, while the inclusion of a second bathroom makes this home ideal for families, guests, or shared living situations. The Riverside 283 is perfect for those wanting a compact home that delivers extra flexibility without compromising on style. **Note:** The photo above is an artist's impression. Please refer to the specifications sheet for details of our standard inclusions.
